This Emergency Vehicle Operation and Control (EVOC) class is intended to provide you with the necessary skills and certification to instruct EVOC based on Wisconsin Training and Standards Bureau criteria. You will learn and become competent in developing training curriculum, managing the classroom, setting up and managing practical skills exercises, coaching students, vehicle dynamics, liability issues, policy review and development, fleet management and more.

Prerequisites:

Must have completed the 32-hour CJ-IDC course before attending OR be a currently-certified LESB instructor, and have 3 years full-time experience.

Please complete the DJ-LE-336 (*attach ACADIS training records & IDC certificate*) and email to lkumbier@wctc.edu **before 5/22/23**.

This can be found in the Forms section of WILENET.

Class Preparation:

Check WILENET for the most-updated EVOC Student text. It is located under Academies & Curriculum / 720 Hour / Patrol Procedures / EVOC. You will note it is dated December 2014. This is the text (and page references) upon which the Study Guide/Pre-Test is based.

There will be a required Study Guide/Pre-Test due upon your arrival on the first day of class. Watch for emails about a week before the course with details.

Equipment Needed:

Laptop, flash drive, notetaking materials, agency policy, duty belt, appropriate dress for weather. No live ammo. Vehicles for training will be provided by the college but you may bring an agency emergency vehicle.

Instructors:

Master Instructor Trainers (MIT) Chris Fox and Brian Ripplinger.
