Community Safety Courses

Concealed Carry for Civilians		Personal Protection Scenarios	
<p>This 4-hour course is designed to comply with the training requirements in the Wisconsin Concealed Carry Law (2011 Senate Bill 93). It is taught by State of WI DOJ certified firearms instructors. If you are looking to obtain your concealed carry weapons permit, or are interested in learning how to protect yourself in your home, this course meets your needs!</p>		<p>This 4-hour course is designed for those who desire training to defend themselves should a situation occur. An interactive firearms Use of Force Computer System is combined with actual force-on-force scenarios to expose attendees to a series of real-world situations. Scenarios may include: home invasion, carjacking, and workforce violence. If you are a responsible firearms owner seeking additional defensive training, this course is for you!</p>
