- Legal Foundations of Interrogation
- Custodial and Non-Custodial Interviews
- Voluntariness Issues

Day 2

- The Pitfalls of Confrontational Interviewing
- Documentation, Personal & Environmental Prep
- The Psychology of Why People Confess
- Identifying & Overcoming Hurdles
- Cognitive Interviewing Skills
- The Strategic Use of Evidence

Day 3

- The Reality of Non-Verbal Cues of Deception
- Violent Crime Case Review
- Challenging Suspects
- Using Persuasion in Interrogation and more....

Twenty-year veterans have taken this course and been amazed at the information that they were never taught in their careers!

The course incorporates active role playing and practice with instructors and students, and current criminal interrogation videos to supplement the 218 page interactive manual that each student receives.

The CTK Group has trained thousands of police officers across the nation. They equip officers with the tools needed for success and the confidence to use them. The instructors take pride on being active investigators utilizing an evolving, court defensible game plan that you can use! For more information on this course or the instructors please visit
