This course is designed for the patrol officer who is seeking training on how to conduct more complex patrol drug investigations. This course is designed for the patrol officer who has a baseline of patrol experience and is looking to mitigate the negative impact of drug offenders and drug distribution in their jurisdictions.

This course will cover these topics and more:

- Drug investigation legal topics and case law
- Investigative resources
- Developing informants
- Surveillance resources
- Interviews and interrogations
- Intro to asset forfeitures and financial interviews
- Intro to drug conspiracies
- Drug overdose investigations
- What is a “high-crime” area

Instructor:

Special Agent (S/A) Carroll is a Senior Special Agent with the Wisconsin Department of Justice, Division of Criminal Investigation. S/A Carroll is a 29-year law enforcement veteran and has been instructing law enforcement on investigative and technical topics for over twenty years. S/A Carroll is a court recognized expert in technical investigations, drug investigations and cellular device location and analysis. S/A Carroll is currently a DEA Task Force Officer and previously served as an FBI Task Force Officer and Illinois State Police Inspector.
