This course was designed to give Patrol Officers a more comprehensive understanding of Wisconsin traffic laws concerning commercial motor vehicles. Officers who complete this course will be able to comfortably make commercial motor vehicle contacts and enforce laws surrounding them.

The course will cover the following topics:

- Commercial Driver License Classes, Endorsements, Restrictions and Tiers of Operation
- Vehicle Registration
- Traffic Laws and Equipment Violations
- Accident Reporting and Traffic Citations
- OWI – Commercial Motor Vehicle / CDL
- Overweight Vehicles
- Cumulative Group Project

Equipment needed:

- Note-Taking Material
- Calculator or Cell Phone with Calculator
- Laptop (if a laptop is not available, a flash drive will be helpful for class materials)
- Officers should dress for the outdoor weather conditions and wear clothing on Thursday and Friday that they are comfortable getting dirty.

Instructors:

Bill Michell is veteran police officer with more than 29 years of experience starting in 1995 with the city of Milwaukee Police Department then took a lateral transfer in 2001 to the city of New Berlin Police Department. Throughout his career, Bill has focused his interests and education around traffic enforcement. Bill has experience as a crash reconstruction expert, police motorcycle instructor and a commercial vehicle inspector.

Jeremy Philipps is a 16-year veteran of the Waukesha Police Department. He has extensive knowledge in the trucking and transportation industry with 25 years of experience as a diesel mechanic and CDL driver. Jeremy specializes in commercial vehicle inspections and CMV post-crash investigations. His focus is to build an industry partnership between law enforcement and the transportation industry.
