Running effective and safe training exercises is one of the most important skills for a law enforcement instructor to possess.

A Scenario Instructor is required in all DOJ academy exercises that include simulated or actual use of force and ***strongly recommended*** in department run exercises as well.

This training will certify instructors for the following:

- Conducting in-house training in Defensive Tactics, Tactical Response, and decision making.
- In-class drills, exercises, and experiences
- End-of-phase Academy Integration Exercises
- End-of-academy scenario training and scenario testing

Instructors will learn how to serve in all three capacities (Exercise Control Officer, Safety Coordinator, and Scenario Administrator) with confidence and gain an understanding of what it takes to design, setup, and run effective and safe police training.

This course is highly recommended for instructors who have completed IDC even if you haven't obtained certification in other unified tactics.

Prerequisites:

- Completed (CJ-IDC) or current certified LESB instructor
- DOJ Instructor Training Course Application ([See below*](#))

Equipment:

- Duty belt
- Facsimile Firearm
- Safety Glasses

**Please ensure to email a completed DJ-LE-336, copy of IDC certificate and 1st page of ACADIS training record to Mashenfelter1@wctc.edu prior to 4/21/25 to complete your registration process.*
