Advanced SWAT is intended for personnel currently assigned to a tactical team. Advanced SWAT is an intense 3-day course. The focus of this course is the enhancement of skills learned in Basic SWAT and the development of competencies necessary to conduct tactical operations. Topics covered will be hostage rescue, vehicle assaults, high risk warrant service, structure clearing and live firearm exercises.

Student Prerequisites:

All students must have already attended a Basic SWAT course and must currently be a member of a tactical team.

List of required (and suggested) equipment:

- Individual tactical gear (**Full kit:** tactical vest, ballistic helmet, eye protection, hearing protection, gas mask, IFAK, department issued handgun, department issued long gun, flashlight(s)/batteries, tactical footwear, knee pads, tactical gloves)
- 500 rounds of handgun ammunition
- 500 rounds of long gun ammunition
- Team shield (not required, but suggested to practice with)
- Team breaching equipment (ram, break & rake tool, hydraulic cutter/spreader) (not required, but suggested to practice with your team's breaching equipment)
