**SIMUNITION®**

The Simunition® Scenario Instructor and Safety Certification Course is designed to provide critical training to instructors who will conduct reality-based training within their department. The course will provide hands-on instruction in scenario-based training program development and training methodology and will give practical experience to students on the best use of Simunition® training products in a highly effective, realistic, extremely safe training course.

Simunition® will provide converted training firearms, FX® personal protective equipment, all FX® and SecuriBlank® training ammunition, as well as training aids such as inert training props. If you choose to bring your own converted weapon(s) and/or personal protective equipment, please see the outline below and your instructor before the course starts. \*

### Required Equipment:

Duty belt, holster, tactical vest, flashlight and weapon lights (batteries), weather related clothing, outer garment for role playing, protective gloves, a ball cap, protective eyewear, notebook and pen.

**AT NO TIME ARE ANY LETHAL WEAPONS OR AMMUNITION NEEDED NOR ALLOWED DURING ANY OF THE TRAINING EVENTS.**

\*Utilization of Student Weapon Systems during FX® Simunition® Scenario Instructor and Safety Certification Course

1. The student will be the only person to utilize his/her own converted weapon while training during scenarios. If they give consent for someone else to use their weapon, they do so at their own risk of damage to the weapon.
2. The student will present his/her converted weapon to the Simunition® Instructor prior to the start of the training day for inspection.
3. The Simunition® Instructor will maintain control of the converted weapons during scenario training.
4. The Simunition® Instructor will explain to the student that neither GD-OTS or Simunition® is responsible for damage done to the students converted weapon, weapon mounted light, and/or optic system, during the training course.
