*"This course was a great overview presented
by very qualified individuals."*

*"A lot of topics covered by experienced,
knowledgeable people."
Attendees Jan 2024*

This course trains students in key tasks of criminal investigations including interview and interrogation, crime scene management, documenting outcomes, writing search warrants, using electronic data, leveraging social media, investigating officer-involved incidents, working with informants, testifying in court, and maintaining investigative integrity. It includes lectures, discussions, demonstrations, and scenario-based instructions. As many as ten professional Instructors will help students apply problem-solving skills to draw reliable conclusions and successfully close investigations. Participants will learn their responsibilities from the crime scene to the courtroom.

Other Important Topics Include:

- Crime Scene Management and Processing
- Crime Analysis and Suspect Development
- Legal Updates and Constitutional Law
- Covert Surveillance and Informant Management – Managing Risk
- Determination of Information Credibility and Reliability
- Eyewitness Identification & Identification Procedures
- Avoiding Error and Maintaining Investigative Integrity
- Other Expected Specialized Investigative Functions
- Interview and Interrogation
- Sex Crimes Investigations
- Preparing for Case Charging by Referral and In-Person

This course is recommended for new detectives/investigators, those lacking formal investigative training, and investigative supervisors.

Instructors:
