"Great course, instructors, drills and lectures. Highly recommend to anyone wanting to advance/improve their skills and those in their department."

This class exceeded my expectations and greatly improved my abilities as both an instructor and a shooter."

Attendees September 2025

This course will be taught by a Firearms Master Instructor Trainer (MIT) who will present LESB Handgun and Rifle Instructor curriculum which will be required to obtain a Handgun and Rifle Instructor certification. Successful completion of this course will provide the instructor with the Handgun and Rifle Instructor certification necessary to teach in the LESB approved 720-hour basic law enforcement officer training academy.

**This course also includes the recent update from LESB (May 2023) to incorporate eight hours into all new Handgun and Rifle Instructor courses for instruction on Pistol Mounted Red Dot Optics.*

Prerequisites:

Must email a completed DJ-LE-336 form along with a copy of your IDC certificate and ACADIS training records to mgurgul@wctc.edu upon registration.

Equipment Needed:

- Department patrol rifle with iron sights, 2 or 3 point sling and detachable optics on the rifle if equipped
- At least 3 magazines with a capacity of 20 rounds or more.
- Handgun and duty belt
- 500 rounds of rifle ammunition - New factory ball or reloaded ammunition to factory specifications
- 800 rounds of handgun ammunition - New factory ball or reloaded ammunition to factory specifications
- Eye and hearing protection. Ear protection must be muff type with a noise reduction rating, (NRR), of 30 decibels or higher. In addition, ear plugs are recommended under the muffs
- Personal body armor, notebook, DOJ Firearms Manual(s) Instructor/Student Texts (printed from WILENET), and Department Use of Force Policy
- Baseball style cap
- Laptop

Instructors:

MIT Brad Anderson and staff
