Undercover investigations demand specialized skills and safety protocols that go beyond the standard training provided to most law enforcement officers.

This comprehensive training course is designed to guide officers through every phase of undercover operations, ensuring they are prepared for the unique challenges of this line of work.

Topics Covered:

- Recruiting and managing confidential informants
- Mission planning for safety and efficiency
- Conducting safe undercover operations
- Benefits of controlled versus undercover drug buys
- Maintaining undercover identity
- Planning and executing search warrants and vehicle takedowns
- Maximizing drug and money seizures
- Documenting undercover actions
- Effective courtroom testimony
- Physical and mental well-being

Equipment needed:

- Note taking materials

- *Undercover Tactical Operations*
- *Undercover Survival Tactics*

Detective Andrew Jicha (Ret), a 26-year-veteran at the Waukesha Police Department, worked undercover for 15 years specializing in narcotics investigations and online predator cases. Undercover Academy is built on Detective Jicha's extensive experience, designed to maximize efficiency while minimizing risk to undercover officers.
